

Inaugural Lecture

Bhupendra B. Chhetri

BACKGROUND

□ Born

- Chabahil, Kathmandu

□ Education

- School: Pashupati Mitra Ma. Vi.
- Campus: Amrit Science Campus
- Bachelor of Engineering: BUET, Bangladesh
- Master of Engineering: Kyushu Institute of Technology, Japan
- Doctorate of Engineering: KIT, Japan

EXPERIENCES

- Teaching and Supervision
 - Since 1994
- Academic Program and Project Management
 - Since 2004
- Research Project and Program Management
 - Since 2005
- Academic Committees
 - Subject Committee, Research Committee, Faculty Board, Academic Council
- Academic Administration Experiences
 - HoD, Dean, Member of Committees

CURRENT INVOLVEMENTS

- ❑ Teaching Graduate Students
- ❑ Supervision of PhD and ME Student
- ❑ Advisor for Research Degree Programs at SoE
- ❑ Program Advisor- Energize Nepal Program supported by Norway
- ❑ Project Team Member – Hydro Himalaya Project supported by Norway
- ❑ Advisor and Member – Lighting Laboratory
- ❑ Supporting Faculties in Research Initiatives
- ❑ Collaborating with KU-IRDP, TTL, etc.
- ❑ Supporting Department and School in various academic matters such as curriculum update and rationalization

IMMEDIATE FUTURE

- ❑ Continue with current responsibilities
- ❑ Strategically build holistic approach for a Cohesive Multidisciplinary Engineering Education at KU
- ❑ Strengthen Research Information and Support System at School of Engineering which could be replicated at other entities.
- ❑ Team-up with younger faculties in enhancing research experiences related to
 - Independent Research (MS, PhD, Post-Doc)
 - Securing Competitive Research Grant
 - Sustainable Research Collaborations

LOOKING FORWARD ...
